Wisconsin Cottages

The exterior of the units at Wisconsin Cottages is now complete and landscaping is underway.

Construction on these two-bedroom units is complete and soon they will be ready for sale!

Kitchens feature seacrest birch cabinets, cultured marble countertops, Delta faucets and come complete with dishwashers, stoves, and refrigerators. Since this photos was taken the countertops, sink and sink fixtures, lighting, and vinyl flooring have been installed.

The remaining touch ups are expected to be complete by the end of the month.

El Cajon CDC Happenings

Wisconsin Cottages

We have been working hard to complete the construction of the Wisconsin Cottages and are proud to announce that we are within weeks of wrapping up that phase of the project. The final sales phase of the project has begun and we are currently working through several applications of first time homebuyers. Stay tuned to find out who will win the lottery and become one of seven Wisconsin Cottages homeowners.
